

XYRALITY

IMMERSIVE WORLDS

Intern Game Design (m/f/d)

Are you studying Game Design or a similar program with a focus on games in the field of Media Design and/or IT?

And are you looking for an exciting opportunity during your mandatory internship?

Then we look forward to learning more about you!

We – that's **XYRALITY**. Since the release of MMOGs such as “*Lords & Knights*”, “*Mission Chief*”, and “*Logistics Empire*”, **XYRALITY** GmbH has been one of the most successful mobile game studios in Europe. Today, around 50 dedicated employees are working on the ongoing development of our game portfolio.

In the field of Game Design, we offer 5 to 6-month mandatory internships at our Hamburg location for students (m/f/d) who are eager to actively contribute to the support and further development of our games.

Your tasks:

- Creation and customization of game content
- Close collaboration and coordination with the Game Development team
- Quality control: Analyzing, reproducing, documenting, and evaluating
- Development and optimization of game mechanics to drive user retention and monetization
- Competitive analysis and presentation of feature ideas

Required skills:

- Enrolled student (m/f/d) – ideally in the field of Game Design
- Passion for mobile games and strategy games in general
- Fluency in German and very good English skills required
- Proficiency with spreadsheet programs / interest in UI/UX is a plus
- Knowledge of the games “*Lords & Knights*”, “*Mission Chief*”, and/or “*Logistics Empire*” is a plus

We offer:

- A challenging, yet, supportive work environment with very flat hierarchies
- Responsible tasks
- A team-oriented work process, visibly incorporating the results of your work
- Close collaboration with executives who will support your professional and personal development
- Unique expertise in the development and marketing of cross-platform games
- A modern, international work environment at our Hamburg office—including snacks and drinks

If you share our passion for games and outstanding products, approach tasks proactively, enjoy teamwork and working in a dynamic environment, we look forward to receiving your application!
